LAND AND ACREAGE 101...
RURAL PROPERTY

"What every REALTOR® should know abut selling rural property".

Rural property buyers seem to come from all walks of life. Many or most of them have "little to none" experience in the many items that should be a concern to them. As a REALTOR® you should at least be aware of these items in order to "property"advise them. You may not have to be a mountain man to sell rural property but remember that green horn buyers shouldn't have a green horn agent!
