Father Carey will hear your confession by appointment

As you know, every Sunday a general confession of sin is read aloud together and absolution is granted. As a general rule this works in dealing with our feeling of guilt but there are times when saying our public confession during a church service just doesn't seem to relieve the guilt. It is at times like these that private confession may be more appropriate. St. James wrote about this: "*Therefore confess your sins to one another, and pray for one another, so that you may be healed. The prayer of the righteous is powerful and effective." James 5.16.* You may schedule an appointment with Fr. Carey by calling the church office.
