A note from the Goldmine Store…….

We would like to remind everyone that as you plan large orders or events please keep in mind that we serve 5 Counties and cannot always anticipate significant needs on single items. If you know that you are going to need a large number of items please call at least two (2) weeks in advance to either store; this way we can ensure that we either hold the items or order what is needed for your Troop or Service Unit.

If your Membership Development Specialist delivers orders to your area please make sure that you call in your orders at least two (2) weeks prior to their visit. This way we can attempt to make sure that all of the merchandise you require is ready for delivery.

Our goal is to always have merchandise available for our membership and we hope that with your help we can better serve your needs. As we move into the bridging season this will become essential as we want to ensure that everyone has what they need for their ceremonies.

Thank You!

Pamela Bartlett
