SINK-THE-SHIP

BE A PART OF COASTAL ALABAMA HISTORY.
SPONSOR THE OFFICIAL SINKING OF THE LULU

On Memorial Day weekend of 2013, the Alabama Gulf Coast Reef & Restoration Foundation will sink "The Lulu", a retired 270-foot cargo ship that will begin a new life in helping to preserve marine life while at the same time helping to develop our region as a world-class diving and fishing destination.

You can help us commemorate the occasion and support the work of our non-profit 501(c)3 foundation by purchasing a Graffiti Sponsorship that will be painted on the side of the ship.

The Lulu will be docked at Lulu's at Homeport Marina on Friday of Memorial Day weekend. On Saturday, the ship will begin its final journey into the waters just south of Perdido Pass. On Sunday, the ship will be sunk and will begin its new life in its role as a visitor magnet to our community.
