

# Twin City Model Railroad Museum Hosts Fundraiser for Anaphylaxis and Food Allergy Association of Minnesota

The **Twin City Model Railroad Museum** is teaming up with the **Anaphylaxis and Food Allergy Association (AFAA) of Minnesota** for a special fundraising event. A portion of the evening's proceeds will be donated to AFAA of MN to help support awareness and avoidance programs in our schools and restaurants as well as educational efforts about food allergies throughout our communities.

## ALL ABOARD TO BENEFIT FOOD ALLERGIES!

### What You'll Experience

- Night Trains in Bandana Square
  - The giant O scale layout with buildings & street lights aglow, & specially lighted models of vintage passenger trains.
  - The blizzard-covered layout of the town of Mattlin with mini Christmas lights & decor.
  - A spectacular Christmas Train covered in hundreds of lights.
- Toy Train Division in the Chimneys Building
  - Hands-on experience operating select trains & many operating accessories.
  - Play at wooden Thomas & Brio train stations.

### Who You'll Benefit

**Anaphylaxis and Food Allergy Association of Minnesota (AFAA)** is a non-profit that serves, supports & educates 19,000+ Minnesotans dealing with food allergies.

Accomplishments include: universal epinephrine availability in Minnesota ambulances; immediate access to epinephrine for allergic students in schools; & assisting in obtaining a \$6 million increase in federal research funding.

AFAA offers allergen-free activities for children and families, including the only overnight food allergy camp in the United States.
