

# A Midsummer's Eve Classic Organ Concert

By Concert Organist Lynn Bauman

Sunday, July 29, 2012 at 5:00 p.m.

On Sunday, July 29th at 5:00p.m., you can sit back in the cool, quiet surroundings of St. Luke's Episcopal Church and feast your senses on beautiful classical and early Christian hymn arrangements played for you by Lynn Bauman.

Starting with the beautiful Magnificat Primi Timi, from the music that was originally a chant at vespers, your organist, Mr. Bauman, will take you through an evening that will refresh and uplift both your mind and body. From the elaborate, ornamental music from "Five Baroquisms" to Early American Hymn tunes, you will find yourself filling your senses. Mr. Bauman closes out the concert with the lullaby tones of Berceuse by Vierne and the vibrant Carillon-Sortie by Mulet.

**Doors open at 4:30p.m.  
Concert starts at 5:00p.m.  
Concert is free to the public. Meet the artist at a reception to follow the about 1 hour concert. For questions contact Nancy Crow at 501-412-3865.**
