

FOOD PANTRY: Stock the Pantry Sunday will be this Sunday, May 12th. Donations for Park Hill Christian's food pantry may be placed in the box in the Narthex.

Volunteers needed for Bread for Vets: If you are interested in helping deliver bread and the other baked goods one Monday in any of the next six months, please sign up in the Narthex or you may contact Jeannie Fry at 501 941 0430 or at fryesque@centurytel.net Volunteers are needed to pick up the baked goods from Panera Bread in the Lakewood Shopping Center and take it to St. Francis House one Monday morning a month. Panera Bread in North Little Rock will be making fresh baked goods once a month for our parish to deliver to the vets that are housed at St. Francis House. Panera usually donates day old products, but in our case they wanted to make fresh baked goods for St. Francis House! So, please visit Panera Bread in its North Little Rock location, and say thank you!

HABITAT FOR HUMANITY: Plans are to continue work on the house on Cynthia Street on designated Saturdays starting at 8 a.m. If you would like to be sure you are on the volunteer email list for future workdays, please contact HH Volunteer coordinator Ginni Agar, at volunteer@habitatpulaski.org, or 376-4434 ext. 21. Ginni will know when and what type of work is coming up. (St. Luke's Volunteers from March 9 should be on the list, but you may want to check). There are 3 projects going on in Pulaski Co. right now – 'our' house is on Cynthia Drive.
