## CUSTOM INJECTION MOLDING

**Murray Plastics Inc. is a full service plastic injection molding company for Short, Medium & Long production runs. We also design & build prototype molds.**

**Open House April 17th 2013 Noon - 4:00pm**  
**Call 770-297-7000 or E-Mail to: [Sales@murrayplastics.com](mailto:Sales@murrayplastics.com)**  
**to Reserve you spot on a tour!**

**On April 17th, Murray Plastics will be having an open house! All are invited to come and network, see the plant and have a snack!**

**Tours will be scheduled every half hour so you can come and go as you wish throughout the afternoon. Come for 10 minutes, come for an hour but whatever you do, don't miss the opportunity to see how plastic transforms from pellets to parts!**

**You will also get a sneak peak at our tooling operation and as a bonus, we will have light snacks, coffee and soda in our conference room with a slideshow and some great networking.**
