Two handsome Belgian horses from Meadow Creek Farm in Sumner, Maine, will delight young and old as York Hospital sponsors this fun and free family activity. Rides will be offered for free during Harvestfest on Saturday from 10 am to 4 pm and on Sunday from 10 am to 4 pm. Meet Butch and Becky Durgin, owners of the Belgians, and then hop on board their 18-passenger covered wagon for a leisurely stroll through the streets of Short Sands Beach. Kidsfest 2012

October 13 & 14, 2012
at York Beach

Kidsfest takes place in a designated area of the Ballfield and in front of the Daily Grind at Harvestfest. Expect to see pony rides, face-painting, a petting zoo, games and other activities in the ballfield. Most of the entertainment at Stage Two (in front of the Daily Grind) is geared toward the younger crowd (check the entertainment listing for a full run-down). Other activities in that area include a roaming railroad and pumpkin carving and stroll. Special thanks to Berwick Academy, our Kidsfest supporting sponsor!

Face Painting (Saturday)

The Hospice of York has always participated in the face-painting at Harvestfest. This year, they will do so in memory of Dee Bickmore, who donated her time and talent for countless years to lead the face-painting at Harvestfest. Stop by the face-painting table, get painted and make a generous donation to Hospice of York!

Pony Rides (Saturday & Sunday)

It's every kid's dream to ride a pony, so stop by and visit with our friends from Pony Parties for Kids. Cost is \$7 per ride and \$2 of every ride will be donated to York Hospital. Look for the pony rides in the Kidsfest section of the Ballfield.

Pumpkin Carving & Stroll (Saturday)

Between 1-4pm on Saturday bring your own pumpkin to the Daily Grind Café. Jen Woods and crew will be on hand to help you carve your pumpkin. The pumpkins are then collected and placed along Railroad Ave. in the evening to create the pumpkin stroll. The Pumpkin Stroll runs from 5:30 – 7:15pm. Stroll by foot or by car to view the more than 250 carved and decorated pumpkins and luminaries. Dan Blakeslee will be on hand as Dr. Gasp to tell kid-friendly spooky stories!

Greater York Region Chamber of Commerce photo

Harvestfest 2012

October 13 & 14, 2012 at York Beach

In its 28th year, Harvestfest is a two-day event located at beautiful Short Sands Beach, in York, Maine. Harvestfest is held every year on the weekend following the three-day Sidewalk Salefest event held Columbus Day weekend. Harvestfest extends the season one more week for many businesses in the area and aims to support the entire region and community. This year's event will have more than 150 local food vendors, Juried Crafters and the Old Fashioned Marketplace Crafters. Two days of family fun and entertainment, including live music performed by The Don Campbell Band and York's own Skyler! Hayrides, a petting zoo, Roaming Railroad, the Pow-Wow, and much more! Harvestfest is southern Maine's premiere fall festival. It will be celebrated this year on Saturday, Oct. 13 and Sunday, Oct. 14.

The Greater York Region Chamber of Commerce, which puts on Harvestfest, is pleased to announce the four presenting sponsors: Cutty Sark Motel, Kennebunk Savings, Union Bluff Hotel and Meeting House and Woods Family Inc. All four of the sponsors are key players in making Harvestfest happen, though much of their involvement remains behind the scenes. These sponsors contribute so much time and effort to making Harvestfest happen and the Chamber would like to acknowledge all that they do.

Peter and Patrick Hughes from Cutty Sark Motel have been long committed to the Chamber's evolution dating back to its humble beginning in the center of York Beach. The Hughes brothers and crew prepare the bean hole beans area and whole Harvestfest site for the onslaught of attendees; this takes place in the weeks and days leading up to and after Harvestfest. They also allow the chamber to use their motorized equipment during the festival to move materials as needed. According to Peter, "We are proud to be involved with preparation of the site for York's Harvestfest and hope for the weather to do its part."

Kennebunk Savings has been involved in Harvestfest for more than fifteen years. Chris Kehl of Kennebunk Savings explains, "We like to support the community and Chamber of Commerce by contributing to the premier fall festival in the area. We enjoy the camaraderie and friendships that have developed over the years with the other volunteers and sponsors." Bank employees volunteer with many aspects of the event during the weekend; in particular, they sell coffee in partnership with Carpe Diem Coffee Roasters to raise money for the York Food Pantry on Saturday.

According to Brent Merritt, "The Union Bluff Hotel and Meeting House is proud to sponsor York's 28th Annual Harvestfest celebration again this year. We have sponsored the Harvestfest celebration for seven years and been a major sponsor for the past two years. Local participation in these events brings a spirit of community to our town. Through these annual events we help to preserve our history and celebrate our heritage. The Harvestfest celebration is a wonderful way to show visitors to our town the true flavor of a small Maine community." This year, the Union Bluff will also help out by sponsoring the Harvestfest volunteer party.

Woods Family Inc., has sponsored Harvestfest for more than seven years. Woods family members help out with Harvestfest throughout the weekend and a crew from The Daily Grind Café (led by Jen Woods) leads the pumpkin carving and stroll. David Woods comments, "We sponsor to support the good works the chamber does and so that the community has an enjoyable fall festival to gather at and help keep the small town feeling going well into the future."

Acknowledgements

Special thanks to York's Wild Kingdom for use of their access road and parking lots! We appreciate Rick Boston from the Goldenrod and the Museums of Old York for agreeing to allow us the use of the Winebaum Center parking lot for handicap parking at Harvestfest.

Harvestfest could not happen without the support of the Town of York — its citizens, town departments including police, fire, public works, park and recreation, town manager, and the Board of Selectmen. Thank you one and all! We'd like to particularly thank Fire Chief Dave Bridges and Police Captain Kevin LeConte.

Thanks to the Gentle Giants for moving all of the supplies and equipment down to the ballfield on Friday and back to the Chamber late on Sunday!

Thank you to The Anchorage Motor Inn our program sponsor, Central Maine Graphics for the cover design and The Weekly Sentinel for publishing!

Many thanks to Cedric Moore for his help with this year's Harvestfest t-shirts and to John Knight for the artwork!

Thank you to Harold Anderson and Linda Sirois from My Wine-y Sister for their decorating contributions. Additionally, the York Harbor Inn donates the corn stalks to decorate the food tent; thank you Garry! Zach's Farm provides the pumpkins and corn stalks to decorate the ballfield, which really contributes to the festive atmosphere!

Thank you to Poland Spring for sponsoring water.

Thanks to Estes Oil for donating propane and Shore Road Restaurant and Deli for donating cooking oil for the Chamber's French Fry booth. Sam Douglass of Discovery Map loans us his firelators every year; we really appreciate his generosity!

Sunday's POW-WOW is due to the hard work of Ed Bullock from The Little Bull.

Thank you to Burnette's Campground for hosting the Durgins while they are in town to provide the horse and wagon rides for Harvestfest. We also sincerely appreciate all that Jen Woods and her crew do for the pumpkin stroll on Saturday.

Many thanks to Drs. Nancy Flolid and John Beddoe of Chiropractic Works for all they do to make Harvestfest happen year after year.

The Oktoberfest Committee, chamber staff, and all of our dedicated Volunteers — We can't thank you enough! You make it fun and manageable!

POW-WOW Organized & Run By:

The Don Campbell Band

They're back again this year!! Maine native and singer-songwriter Don Campbell performs more than 150 shows per year and has opened for Carrie Underwood, Toby Keith, Randy Travis, and many other country, folk and rock greats.

Skyler

Skyler is a local artist from York, Maine. Skyler has a little something for everyone; pop, rock and country!

York Strings

The York Strings program gives all second through ninth grade students in the York school district the opportunity to learn how to play a string instrument. Lynne White McMahon began the program eight years ago and teaches violin, viola and cello. York Strings students perform several times a year in the schools, as well as throughout the community.

Maine-ly Balloons

Maine balloon twisters Carroll and Ezekiel Chapman are a father and son team of balloon artists serving Maine and New England with their balloon zoo and entertaining antics. They will be on the main stage for an hour (see schedule), and then move into the crowd, where they will twist balloons for all ages!

The Park's Taekwondo School

The Park's Taekwondo School Junior Demonstration Team is happy to be back at Kidsfest again to share the Korean Martial Art of Taekwondo. The team will be demonstrating many different aspects of Taekwondo including board breaking, self-defense, Olympic-style sparring, hand technique, and kicking drills.

Dan Blakeslee

Equal parts musician and artist, Dan Blakeslee's soul core is woven from the fabric of his surroundings. More specifically, the tangled fields and forests from the town where he was raised, South Berwick, Maine. Are you the kind of ghou who is intrigued by tales of mystery, and ghostly superstition? Does the thought of the unknown make you shiver with fright? Then you are in for a scare! There is no spook more daunting than DOCTOR GASP!

Story Telling with Shawn

With experience in early childhood education, hip-hop dance, sign language and mime, Shawn Middleton combines dramatic flair and great passion to create his unique style of storytelling.

Extreme Air

Founded in 2003, the award-winning Extreme Air Competition Jump Rope Team performs nationally competitive single-rope, pairs, and double-dutch freestyle routines, original long-rope routines, and group choreographed routines, all to high-energy music!

Bean Hole Beans

"We extend our sincere appreciation to the Foster Family, Stage Neck Inn, and crew for the many years they were up all night preparing for the Ox-Roast BBQ. The Ox-Roast was a longtime favorite for many and we're sad to see it go. After years of doing the Ox-Roast at Harvestfest, the Foster family and crew have decided that it is time to retire. On behalf of the Chamber's Board of Directors, staff and volunteers Thank You for years of memories and a delicious sandwich!" said Holly Roberts, Executive Director.

Have no fear! We are continuing with the traditional Bean Hole Baked Beans. The beans are sponsored by Dockside Restaurant. The bean hole beans have evolved from a colonial-type in-ground stone oven to their present day above-ground cast iron kettle. Peter Hughes and his Cutty Sark crew prepare the area in the ballfield for the beans to cook. The beans are served on Saturday only beginning at 10am.
