From Portsmouth Traffic Circle:

- Turn left on Greenleaf Ave. (Toyota and Dodge dealer at light)
- At end of Greenleaf, turn right on Lafayette Rd (Church across street)
- After ¼ mile, bear right to stay on Rte. 1 South by going over the overpass bridge
- Cross Roads is the first driveway on the right. Look for a bus shelter just prior to the entrance.

From South of Portsmouth:

- Take Rte. 1 North into Portsmouth.
- Go past McDonalds on your left.
- At next light, bear right following signs to downtown Portsmouth.
- Take first left, to reverse direction onto the Rte. 1 South overpass bridge.
- Cross Roads House is the first driveway on the right. Look for a bus shelter just prior to the entrance.

Please note: You *cannot* turn into Cross Roads House directly from the Rte 1 Bypass as shown on some online map services. You must use the bridge and south bound on-ramp to Rte 1.

Parking

Parking is available anywhere in our parking lot. Should you arrive and find all our spots full, please proceed next door to Operation Blessing (the large tan building to the right of Cross Roads House) and park there. We hold our Volunteer Orientations during hours when Operation Blessing is closed, so their lot should be empty and available for you.
