## **Sheriff Jones and Deputy Chief Somers to Present “Preventing Crime in the First Place”**

### **“HARDEN THE TARGET”**

Increasing business security and working closely with law enforcement will be the theme at the June 21 *Security & Business Protection Faire & Mixer*. Special guests include Sheriff Scott Jones, Deputy Chief Sam Somers, and Lt. Marc Coopwood in an interactive panel discussion on “Hardening the Target.”

Everything security related, from private patrols to video surveillance, and property protection will be showcased with a discussion on specific security concerns of individual attendees.

“We’re bringing so much information on what business in the Power Inn Area can do to reduce crime and improve protection,” said Dawn Carlson, who is coordinating the event.

This event is also the annual Alliance Summer Mixer, uniting the business community. Co-

workers and staff are invited for the information and meet-and-greet.

Members and non-members alike are invited to join the Sacramento Police Dept., Sacramento County Sheriff, and *presenting sponsors* Sacramento Control Systems and Bayer Protective Services.

The Faire runs from 4 – 7 pm at 5450 Power Inn Rd (near the Alliance office). The law enforcement panel will take place at 5:30 pm. Tickets are \$10. Reservations are recommended.
