## **Cathy Harris Launches a "2013 National Health and Business Empowerment Tour"**

Cathy Harris, known as a nationally recognized whistleblower, **"The Cathy Harris Story"** (<http://www.TheCathyHarrisStory.com>) and business owner who story was featured on Oprah Oxygen Cable Company, Lifetime T.V. with Erin Brockovich, CNN, C-Span and in several national magazines recently helped pass the Whistleblower Protection Enhancement Act (WPEA) on Nov. 27, 2012. Now she is hoping to gain national attention for her health and business initiatives and is launching a **"National Health and Business Empowerment Tour"** with a new motto **"Save As Many As You Can."**

As a Speaker, Author and Trainer, Cathy recently launched a new initiative **"Cathy Harris School of Learning"** where she is helping the community with 'hands-on training' to change their lives. She is the author of 18 non-fiction books and several articles that contains 'content-rich' material to help anyone get back into the driver's seat.

The tour topics will include the same topics as her books and articles which can be read by 12 year olds and above -- family and community empowerment, health, youth and adult entrepreneurship, writing/publishing, workplace discrimination, whistleblowing, law enforcement, domestic and international traveling, politics, media, car buying and selling, beauty, aging/retirement -- just to name a few.

As a Non-GMO health and wellness expert --she is centered around informing the public as to how they can use natural methods to revolutionize their health while avoiding Genetically Modified Organisms (GMOs). Her health and business initiatives for the entire community have helped her venture into uncharted territories where she is helping others transcend boundaries and create options. Her life journey has empowered her to teach empowered, masterful living to others, so they can learn to rise from their paralyzing thoughts and beliefs and dream big, achieving their highest potential and living in joy, peace and abundance in life, love, career, and business.

The tour will start off in the Detroit, MI area in February 2013 where she plans on joining other speakers and trainers throughout the U.S. To work with Cathy or add your city to the tour, or schedule an event call (770) 873-2072 or email [info@CathyHarrisSpeaks.com](mailto:info@CathyHarrisSpeaks.com) with your name, phone numbers, website including facebook.com, twitter.com, linkedin.com and other addresses.
