### TRIP DETAILS **National Scout Jamboree, Mount Hope, West Virginia**

We will travel by deluxe motor coach from historic Valley Forge, PA with Scouters, family and friends. Many have enjoyed the experience and fun of journeying with those in Scouting from all parts of our nation. The tour will have stops along the way for rest and refreshment as well as for viewing beautiful vistas and places of interest. You'll enjoy this trip with fellow Scouters as all will discover the beauty and hospitality of West Virginia and the BSA National Jamboree. The Summit is the new BSA permanent National Jamboree site, high adventure center, future summer camp and national training and conference center. Your one day at the Jamboree will allow visitation with scouts and adults at the Summit Center, experience Jamboree action activities, enjoy all the BSA national exhibits, on-site eateries and of course spending time in the Jamboree Trading Post to gather up those special Jamboree souvenirs. For the Jamboree visit, wearing a Scout field uniform is optional. Visit the website [www.summit.scouting.org](http://www.summit.scouting.org).

### LEWISBURG, WEST VIRGINIA

On day one of our tour, we will journey through Pennsylvania, Maryland, Virginia and lastly West Virginia. Our first overnight and dinner together will be in the charming town of Lewisburg. This small American town welcomes you back to the 18<sup>th</sup>, 19<sup>th</sup> and 20<sup>th</sup> centuries with colonial and federal period structures in its historic and shopping districts. A walk about town in the evening will complete your day as we prepare to visit the National Scout Jamboree the next morning.

### LEXINGTON, VIRGINIA

After our super day at The Summit and the National Scout Jamboree, we'll travel to the historic town of Lexington, Virginia. Lexington is the showcase in the entire Shenandoah Valley. Here is the home of the Virginia Military Institute (VMI), The General of the Army George C. Marshall Museum, Washington and Lee University and a historic area and shopping center that is not to be missed. Tonight will be "dinner on your own" and there are many fine restaurants from which to choose. The following morning will be "at leisure" to discover your points of interest in Lexington.

### CHARLOTTESVILLE, VIRGINIA

We travel up the road to a colonial center of Virginia. Charlottesville is home to the University of Virginia and Monticello, the house and estate of President Thomas Jefferson. The town center of Charlottesville is rich in history and is abundant with shopping and attractions for everyone. We will tour the house and grounds of Monticello, recognized by the United Nations as a "World Heritage Site". We will have a tour farewell dinner and enjoy the company of great Scouters as we travel home.
