Blessed John Paul II's Theology of the Body is changing lives around the world through its positive portrayal of human sexuality as a good and essential part of love and life.

The *Theology of the Body for Teens* program brings this exciting teaching into a practical format that high school and middle school students will enjoy and understand. Join us for these timely and important training sessions, where you will be introduced to the Theology of the Body as it specifically relates to teens and pre-teens.

Theology of the Body for Teens answers questions such as:

- Who am I?
- Are there consequences to my actions?
- What is the difference between love and lust?
- What does our sexuality teach us about God?
- How can I discern my vocation to marriage, priesthood, or religious life?
- How do I deal with bullying, gossip, peer pressure, pornography, divorce, etc.?
- What if I've already messed up?

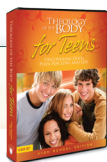

...and many more.
