X-TREME AIRDOGS ONTARIO, CANADA

The X-Treme AirDogs USA Series has expanded to Canada with its new Pack Training program for new and elite K-9 competitors and those new to dock jumping. The Pack Training "Grand Opening" is hosted by the Red Barn Event Centre for the X-Treme AirDogs Ontario region! It's very easy to get started, simply email RuffSport or the Red Barn to pre-book your times or just drop in and join the fun. We've also planned other special activities over the weekend including rally and agility fun runs as well as a pancake breakfast and children's bounce house to celebrate Mother's Day on the Sunday.
