

A Quick and Easy Guide to Nominating

Step 1

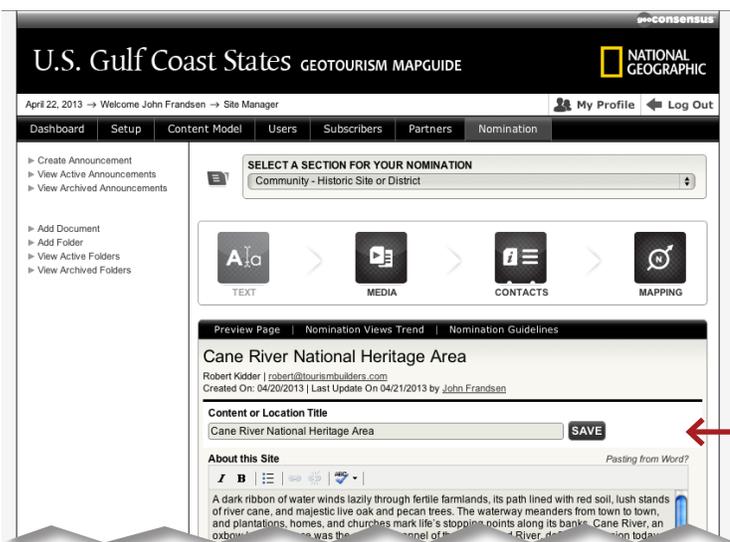

Click the ADD NEW NOMINATION button.

Step 2

Select the most appropriate section for your nomination. You can read more about each section by clicking on the 'learn more'.

You can learn about the nomination criteria and guidelines by clicking on the Nominations Guidelines link.

Step 3

Provide your nomination with a title and begin by completing the text information about your nomination.

Your nomination should include all nomination areas, TEXT, MEDIA, CONTACTS and MAPPING.

Choose the map marking method that is most appropriate for the location.

-  **Mark a Single Location**
For one, fixed location point.
-  **Mark Multiple Locations**
For content that has more than one fixed location point.
-  **Mark Path, Line, or Route**
For content that extends along a route or line.
-  **Mark an Area**
For content that covers a broad area.

Map It!

Choose to map as a single location, many locations, a route, or as an area. You can change from one type of mapping to another later on.

PLOT **SEARCH** **RESET**

Search for a place or address to zoom the map

Enter a place name or address

Tips Mouseover your marker to update the marker's title. To move the marker click and drag the marker.

Use the zoom slider on the upper left of the map to zoom the map closer. Click the SEARCH tab to look for a place or address. Click and drag anywhere on the map to move the map.

Mapping Tools

Use the tools to zoom-in and accurately plot your nomination on the map.

You should make sure your nomination is marked exactly.

Use the zoom tool to ensure accurate mapping.
