| L88WB21X96CBBRN | 8 Ft. with Brown Label |
| L88WB21X120CBG | 10 Ft. with Green Label |
| Vertical Pipe Lead Blanket Support System | |
| These systems use binding force to allow hanging of lead wool blankets on any size of piping in a vertical orientation. Includes two ratchets for securing straps to piping with each strap having integrated swivel hooks. | |
| L62LBWSTRAP-12V | For use with 12" Diam. piping |
| L62LBWSTRAP-14V | For use with 14" Diam. piping |
| L62LBWSTRAP-16V | For use with 16" Diam. piping |
| L62LBWSTRAP-18V | For use with 18" Diam. piping |
| L62LBWSTRAP-24V | For use with 24" Diam. piping |
| L62LBWSTRAP-30V | For use with 30" Diam. piping |

T-Flex® products

T-Flex® Pipe Shielding

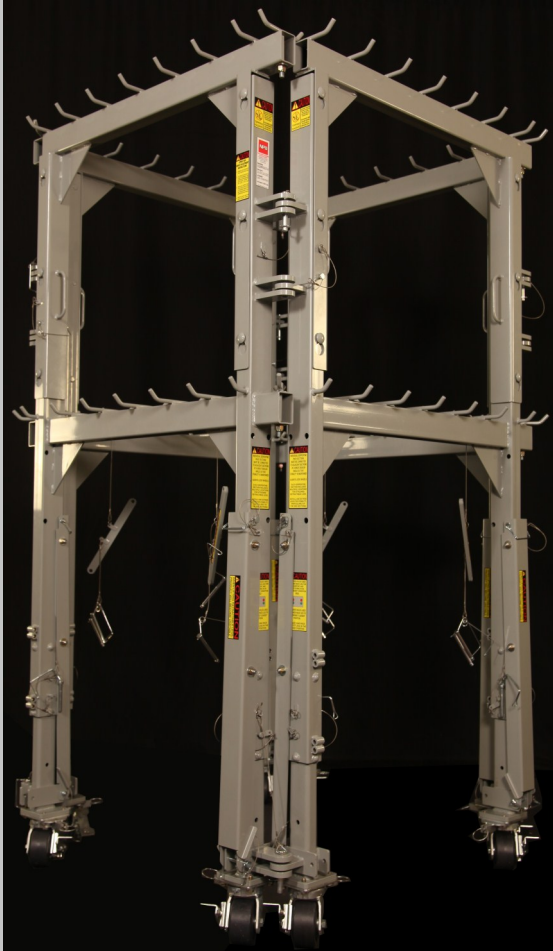

T-Flex® tungsten/silicone pipe shielding provides a quick-to-install, non-toxic shielding solution for small bore piping, conforming exactly to the pipe dimensions for maximum effectiveness. Additional/custom sizes are available.

| Part Number | Pipe Size | Shielding Thickness | Length | Weight (Lbs.) | Attenuation (CO-60) |
|--------------|-----------|---------------------|--------|---------------|---------------------|
| T62PIPSHD.75 | 3/4" | 5/8" | 12" | 10 | 45% |
| T62PIPSHD1 | 1" | 9/16" | 12" | 10 | 42% |
| T62PIPSHD1.5 | 1-1/2" | 7/16" | 12" | 10 | 32% |
| T62PIPSHD2 | 2" | 11/32" | 12" | 10 | 27% |

T-Flex® Ribbon Wrap

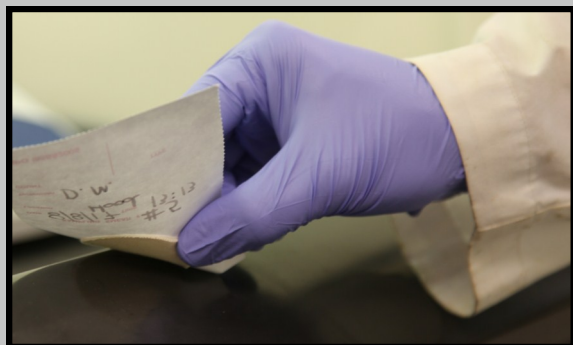

T-Flex® tungsten/silicone ribbon wrap is a highly flexible shielding solution and is ideal for small and irregular components, such as valves, tees and elbows. Optional color layer available.

| Part Number | Length | Width | Shielding Thickness | Weight (Lbs.) |
|----------------|--------|-------|---------------------|---------------|
| T62RW96X2X.125 | 96" | 2" | 1/8" | 6 |
| T62RW96X3X.125 | 96" | 3" | 1/8" | 9 |
| T62RW96X4X.125 | 96" | 4" | 1/8" | 12 |
| T62RW96X2X.250 | 96" | 2" | 1/4" | 12 |
| T62RW96X3X.250 | 96" | 3" | 1/4" | 18 |
| T62RW96X4X.250 | 96" | 4" | 1/4" | 24 |

serpentine rack systems

| Part Number | Description | Size |
|-------------|---|--|
| L62MRS037-8 | Serpentine Rack Segment | <p>Pictured at left are four serpentine rack segments hinged together. Segment dimensions:</p> <ul style="list-style-type: none"> •35" w, caster-to-caster •Maximum height 99 7/16" •With 2 segments in 90 degree configuration, 61 3/8" h X 31 11/16" w (will fit through standard size door). |
| L62MRSKNA | Knuckle Adapter (sold separately) | 6" long stub tube with an outside diameter of 1 1/2" SCHD. 80 pipe. |
| L62MRSRL | Detachable, Retractable Legs (2 Included) | |

contamination control

| Part Number | Description |
|--|---|
| Bags, sleeving, layflat and catch containments are available in yellow or frosty clear polyethylene, and in yellow, green, blue or frosty clear PVC. Discounts apply to sampling smear quantities ≥ 50 boxes. | |
| Sampling Smears | |
| I85SS2005 | Sampling Smears, 500 ct. Paper Backed |
| I85SS2500 | Sampling Smears, 2500 ct. Bulk |
| Bags, Sleeving, and 8 MIL Yellow PVC Layflat | |
| M41VH8021LF | Lay Flat, 2" Wide X 100' Long |
| M41VH8041LF | Lay Flat, 4" Wide X 100' Long |
| M41VH8061LF | Lay Flat, 6" Wide X 100' Long |
| M41VH8081LF | Lay Flat, 8" Wide X 100' Long |
| M41VH8101LF | Lay Flat, 10" Wide X 100' Long |
| M41VH8121LF | Lay Flat, 12" Wide X 100' Long |
| F18VH160 | Sleeve Protectors, Yellow PVC, Pkg.in Pairs |
| Catch Containments (aka—Drip Bags, Catch Funnels) | |
| Catch containments are available in 12, 14, 16, 18 and 24 inch diameters. | |
| C36VF114 | Yellow PVC, Flat Bottom, 14" Dia. |
| C36VF214 | Yellow PVC, Funnel Bottom, 14" Dia. |
| C36PD114 | Yellow Polyethylene, Flat Bottom, 14" Dia. |
| C36PD214 | Yellow Polyethylene, Funnel Bottom, 14" Dia. |
| C36PA114G | Clear Polyethylene w/ Green Band, Flat Bottom, 14" Dia. |
| C36PA214G | Clear Polyethylene w/ Green Band, Funnel Bottom, 14" Dia. |

contamination control

| Part Number | Description |
|---|--|
| NIOSH Hoods | |
| NIOSH Hoods are available in 10, 11 and 12 inch diameters. | |
| SAR101HYA | 101 Series with Foster Fitting and Yellow Cape, 11" Dia. |
| SAR101HYB | 101 Series with Hansen Fitting and Yellow Cape, 11" Dia. |
| SAR101HYC | 101 Series with Shrader Fitting and Yellow Cape, 11" Dia. |
| SAR101HYC1 | 101 Series with Foster-Shrader Fitting and Yellow Cape, 11" Dia. |
| SAR101HYD | 101 Series with Snaptite Fitting and Yellow Cape, 11" Dia. |
| SAR101HYE | 101 Series with Saflomatic Fitting and Yellow Cape, 11" Dia. |
| SAR101HYG | 101 Series with CEJN Fitting and Yellow Cape, 11" Dia. |
| NIOSH Hoses | |
| NIOSH Hoses are available in 25, 50, 75 and 100 foot lengths. | |
| SAR510ALA | 25' with Foster fitting and Red PVC Hose |
| SAR510ALB | 25' with Hansen fitting and Red PVC Hose |
| SAR510ALC | 25' with Schrader fitting and Red PVC Hose |
| SAR510ALC-1 | 25' with Foster-Schrader fitting and Red PVC Hose |
| SAR510ALD | 25' with Snaptite fitting and Red PVC Hose |
| SAR510ALE | 25' with Saflomatic fitting and Red PVC Hose |
| SAR510ALG | 25' with CEJN fitting and Red PVC Hose |
