

About Us ...

The **Black Gold Health Foundation**, as a registered charitable organization, works toward the enhancement of the health care services in our community (*Leduc Community Hospital and the public Health Centres of Beaumont, Leduc & Thorsby*).

In order to support new technology, specialized equipment and enhancement projects, we are continually faced with the challenge of raising the much needed funds.

As a member of our community, we offer you several options to partner with us in supporting community health care services. We invite you to consider participating in our annual golf tournament and together we will work toward building a stronger community.

Annual Golf Tournament

This annual 18 hole Best-Ball Texas-Scramble tournament supports Black Gold Health Foundation's "Greatest Needs" Fund. We hope to raise \$40,000 with estimated costs of \$15,000. For more information, please contact

Lorraine Popik, Executive Director
780-980-4536.

This full day event offers various levels of participation. We welcome you to join us...

"Golf 'n Fore Charity"

More Support Options...

"Comfort & Care" Campaign

Be part of a caring community – This annual mail-out campaign offers the opportunity for all businesses and residents of the community to participate. Please contact our office if you would like your name added to the list.

Cash Donations & Grants

These contributions can be directed toward various initiatives and often support areas of "greatest need" for health care services within our community.

Partners in Care

These on-going gifts of goods or services greatly contribute to the Foundation's ability to operate more economically. Your choice of involvement is limitless and requires no mandate of time. These In-kind donations do not go unnoticed. We welcome you to contact our office for further clarification of this support option.

Gifts of Time

Volunteerism is the backbone of the BGHF's success. Volunteers offer their "priceless gift of time" through involvement in numerous elements of our operation, such as board members, event committee members plus various other activities. To find out more about how your company can be represented in this way please contact our office.

Third Party Fund Raising

Can't participate in any of the above choices? ...

We invite you to design your own!

The options are endless and so is the fun. Host a swim-a-thon, get a noon-hour walking group together, family reunion golf tournament or employees agree to let their staff wear jeans on Friday in return for a donation of a tooney, just to list a few. Employers offer a morale booster to their employees, encourage involvement and have fun, all in the name of charity. Top it off by matching your employees' contributions or Challenge a neighbourhood business to do the same. Proceeds are forwarded to BGHF.

The "Build a Quilt" fundraiser is a 3rd party event that can be incorporated into any business or organization. Feel free to contact our office for more information.
