

Stollery Children's Hospital

Family Centred Care Vision Statement

The Stollery Children's Hospital strives to be a leader in family centred care by placing children and youth at the centre of how we provide care.

We always recognize the family as valued members of their child's care team and in the operations of the hospital.

We aspire to practice family centred care in a collaborative, consistent, and continuous way.

You Are Invited

To become a member of the
Family Centred Care Network!

What is Family Centred Care?

- All people are treated with respect and dignity
- Health care providers share complete information with patients and families
- Families and patients participate in direct care and decision making
- Patients, families and providers work together to develop policy and programs, education of staff and delivery of care

For more information please contact:

Family Centred Care

What do members of the Family Centred Care Network do?

There are many ways to volunteer within the FCC Network such as:

- Share the power of your story at:
 - New staff orientation
 - Education of health professionals
 - Grand Rounds
- Review and provide input on:
 - Policy and procedures
 - Documentation for families
 - Design and improvement of facilities and services
- Support other families through Peer Support opportunities
- Provide tours for families
- Participate in selection of new senior level staff and physicians
- Serve on the FCC Council
- Serve on the NICU Family Advisory Care Team
- Serve on other committees and special projects

How can I get involved?

Becoming a member of the Network is easy and open to any family member, patient, staff, physician or member of the health care community who is interested in Family Centred Care at the Stollery.

You will receive a monthly newsletter that will keep you informed of family centred care happenings at the Stollery and ways you can get involved.

To become a member, complete the attached application form and fax, email or post to:

The Family Room
Stollery Children's Hospital
4H2.02, 8440 – 112 Street
