Spirit of Life
Fuente de Amor, ven hacia mí.
Y al corazón, cántale tu compasión.
Sopla al volar, sube en la mar,
hasta moldear la justicia de la vida.
Arráigame, libérame,
Fuente de Amor, ven a mí, ven a mí.

Spirit of Life, come unto me.
Sing in my heart all the stirrings of compassion.
Blow in the wind, rise in the sea;
move in the hand, giving life the shape
 of justice.
Roots hold me close; wings set me free;
Spirit of Life, come to me, come to me.

TODAY’S OFFERING

For the month of August, UUCA's Give the Plate recipient is People of Faith/Equality Virginia (POFEV). POFEV is an interfaith network of people who all share a deep commitment to social justice. As rabbis, ministers, priests, and lay people, POFEV leaders are dedicated to working for equal rights for the lesbian, gay, bisexual, and transgender community in Virginia. LGBT citizens are not faceless and nameless, but are members of our religious communities and our families, friends, neighbors, and people with whom we do business. POFEV recognizes that however one defines God, all of creation is worthy of being loved and sustained, and that we must act when any part of that creation is endangered – physically, emotionally, or spiritually -- by misunderstanding, hate, and discrimination..

All cash and checks not marked “UUCA Pledge” will be given to People of Faith/Equality Virginia. Last week’s Give the Plate total was \$859.

There is a Place for You Here
Wherever you are on your spiritual journey, come as you are, to a place where love, kindness and service are more important than belief in doctrine or dogma, where you will meet trustworthy guides and companions who want to support you as you grow your soul and serve the world.

- The Sources of Our Faith:**
- Direct experience of that transcending mystery and wonder, affirmed in all cultures, which moves us to a renewal of the spirit and an openness to the forces which create and uphold life;
 - Words and deeds of prophetic women and men which challenge us to confront powers and structures of evil with justice, compassion and the transforming power of love;
 - Wisdom from the world’s religions which inspires us in our ethical and spiritual life;
 - Jewish and Christian teachings which call us to respond to God’s love by loving our neighbors as ourselves;
 - Humanist teachings which counsel us to heed the guidance of reason and the results of science, and warn us against idolatries of the mind and spirit;
 - Spiritual teachings of Earth-centered traditions which celebrate the sacred circle of life and instruct us to live in harmony with the rhythms of nature.
