

**Pet First Aid Workshop Registration
Hosted by the American Safety Academy
Sunday, October 21, 2012 11AM-2PM**

What are the first steps in helping your pet before you can get them to the vet? Would you know what to do if your cat or dog stopped breathing or started choking? Your pet depends on you for his or her well-being. In addition to providing daily care, love and affection, your best friend depends on you in an emergency. Come learn the steps of pet rescue in a low-stress, hands on environment. Join us and other animal lovers as we cover topics such as how to administer medications, recognizing an emergency, performing CPR and first aid, treating common illnesses, and how to stock a first aid kit.

Registration is limited to the first 12 people.

If we do not have at least 6 attendees, the workshop will be cancelled.

**Please pay at the door.
\$50 per person/\$40 active volunteers**

Information

First name: _____ Last Name: _____

Primary Address: _____

City _____ State _____ Zip Code _____

Primary Phone number: (____) _____
