## 2nd Annual Women's Retreat — June 3 - 5, 2011

Home is a word that conjures images of warmth and comfort or of pain and conflict. In this retreat, we will look at what "home" means for each of us, and how we find our true home — a place of peace and rest — in God. We will explore how being at home in God frees us to open our homes, ourselves, and our lives to others — both those closest to us and strangers. Retreat leader — Rev. Karin MacPhail
