

Forward in faith!

NEW ELCA MISSIONARIES

In 2012, 118 adults answered God's call to serve as new ELCA missionaries, joining those already in service for a total of over 240 ELCA missionaries around the globe! We can never send as many missionaries as our global companions want, but we made a step forward in faith.

Featured here are missionaries who need your help. Your undesignated gifts to ELCA Missionary Sponsorship support all of our missionaries around the world. You may choose to sponsor an individual missionary, or deepen your commitment through a covenant relationship of mutual prayer, communication and financial gifts.
