Golf Benefit Evening of Entertainment Staring Mo Collins

Capping off the August 5th Roseanne Roseannadanna Golf Benefit will be a full Evening of Entertainment, including a performance by Minnesota's own Mo Collins.

Mo Collins was born and raised in Minneapolis, starting her career in the '80s at the Brave New Workshop. Now living in Los Angeles, Mo's TV and film credits include *MADtv, Arrested Development, Parks and Recreation, and The 40 Year Old Virgin,* to name just a few.

One might say Mo landed her first dramatic role (in life) when she was diagnosed with G.I.S.T cancer in April 2011. Mo continues to undergo treatment to keep this "antagonist" at bay.

Mo recently shared with Gilda's Club, "I understand that my comedy can serve to heal through laughter, but I also have an understanding of the NEED for support and community on a very deep and personal level. That's why I want to come back to Minnesota this summer and help open Gilda's Club in the Twin Cities, my hometown!"

The Evening of Entertainment will be held on Monday, August 5 at Golden Valley Golf and Country Club. Cost is $125 per person or tables of 10 for $1,000.

Registration for this event is open, so please **REGISTER NOW.**
