

Gilda's Club Twin Cities

Gilda's Great Volunteer's \$150K Challenge

It is our hope that all of our Gilda's Club Twin Cities Volunteers will come together to raise \$150K to have the sponsorship rights of the clubhouse *Red Door and Entry to Hope*.

Many volunteers have devoted countless hours to ensure the clubhouse opens. The significance of this challenge is that the donations raised by volunteers will be for the clubhouse *Red Door and Entry to Hope* a symbol of hope and caring for everyone who enters.

The classic and signature *Red Door* that distinguishes a Gilda's Club was specifically designed to make sure all families and friends living with cancer had a place to go. We know first-hand the difference Gilda's Club would have made in our lives.

Together, let's raise \$150,000 and sponsor the clubhouse *Red Door and Entry to Hope*, so that no one will have to face cancer alone. We have a great start with 91 donors and 20 Team fundraisers. (Our goal is to have at least 50 Team Fundraisers.)
