**Organizing to
Help Individuals
Age in Community**

Dear Friend,

I am writing to ask you to become a supporter – and a sponsor – of aging with dignity and human rights in San Francisco.

One of our heroes, the late Norma Satten, gave her wisdom and generosity for more than 40 years to protect the rights of seniors and persons with disabilities. She was an innovator who worked tirelessly to improve and strengthen community-based care services and supports in San Francisco through the Community Living Campaign and a host of other local organizations. A cross-section of organizations came together to initiate the *Norma Satten Community Service Innovation Award* to honor innovative community leadership and to keep Norma's vision and legacy alive. Last year, the award went to Norma's friend and long-time colleague, Libby Denebeim. We are in the process of selecting this year's honoree.

Once a year, organizations that carry on that commitment to help individuals age in community come together to recognize other stellar leaders, to celebrate our successes and to launch plans for the future.

This year's event will be held on **Thursday, September 26, 2012** at the Marines' Memorial Club at 609 Sutter Street in San Francisco. A cocktail buffet, silent auction, slide show and award presentation will take place from 6:00 to 8:00 p.m.
