BONAIRE

"For more than thirty years Bonaire's dedicated and environmentally-conscious dive industry has worked diligently to protect our coral reefs and provide a superior dive experience, and we are honored that divers have recognized their efforts and rated Bonaire the top dive destination in the Caribbean/Atlantic," said Ronella Croes, Director of the Tourism Corporation Bonaire.

Located eighty-six miles east of Aruba, the Dutch Caribbean island of Bonaire offers year-round sunshine, low annual rainfall, pristine coral formations and the most thriving fish population in the Caribbean. Ideal for adventurers, explorers and sun-worshippers alike, Bonaire offers myriad eco-adventure activities including world renowned scuba diving and snorkeling, windsurfing, kiteboarding, landsailing, mountain biking, sea and mangrove kayaking, horseback riding, nature tours, hiking, bird watching, sailing and deep sea and bone fishing.
