

Beginning Violin Camp

(Rising 1st Grade to Adult)

Nurture your own or your child's musical potential and get a head start on Private Lessons when you sign up for this **Beginning Strings** class! Do you love the sound of a fiddler playing a tune or a violinist bringing symphony music to life? With this enjoyable introduction to the violin, students will learn something new and fun they can do with the violin, from basic fiddle playing (bow grip, hand position, and fingerings)

to reading first songs! Game time and hands-on experience with a violin just your size also ensures a fun and successful introduction to the violin. Children under age 8 must have a grown-up present and observing class in order to learn about the violin and be able to guide their child at home. Parents of Older children are encouraged to participate too! Grown-ups are welcome to register for violin camp along with their child to receive their own violin and have fun learning together, while receiving a 20% discount toward both Parent and Child tuition.

Four Weekly 45 minute Group Classes or a Daily Camp 4-Days over 1 week

**Parents present during class, or parents can enroll and learn with child on own violin!*

HOME MATERIALS Include: Beginning Strings Binder, Violin Rental, Home Activity Handouts

Blast Off With Piano Camp

(Rising 1st and 2nd graders)

Blast-Off with Piano© It's the perfect start!! Blast-Off! Piano Camp gives beginning students a successful introduction to the piano and the small group setting makes it extra fun! They also receive a head start in preparing for Private Lessons. Learn keyboard geography and rhythm basics, enjoy fun sheets and games, and share in the joy of music together! There will be a special "mini-recital" at the end of the week to celebrate our results!
