

“ON THE ROAD”

In just

Four lessons, we'll give you a summer's worth of music, stories, and activities created to inspire a lifetime of learning. In a Kindermusik summer camp, you and your child will play, learn, sing, dance, create, and share in the fun of making music together. A trusted Kindermusik educator is your guide through each research-proven and giggle-approved activity.

Inspire your child's love of learning in our delightfully engaging summer sessions. Best of all, every one of our summer camp activities—the music, stories, and crafts—is specially designed to nurture your child's natural curiosity, eventually drawing her toward learning new words, new concepts, and new big ideas.

On the Road makes the most of a preschooler's burgeoning imagination and ability to learn more words and learn problem-solving techniques. Take imaginary trips to summer vacation locations such as the carnival, a summer cottage, and the beach. Parents also learn more about how music improves a preschooler's ability to think, reason, create and express.
