

# "TELL ME A TALE"

Ages 5-7

(Or moving up from *Imagine That*)

How often our favorite childhood memories involve stories and beloved storytellers! Century after century and all around the world children have climbed into the laps of mothers, fathers, aunts, uncles, grandparents, and dear family friends to snuggle, laugh, sing, and to hear and tell their favorite tales again and again. In our commitment to keep these literary traditions alive, *Tell Me A Tale* folktales were carefully, painstakingly, and lovingly selected to represent the rich, diverse, humorous, and profound folk legacy of a variety of cultures and eras. They invite you to step into a wondrous world of imagination!

Come with us to visit the following countries and engage in songs, stories, crafts and more from Tales around the world:

Germany: *The Bremen Town Musicians*

Indonesia: *The Clever Mouse Deer*

India: *Six Blind Men and the Elephant* England:

English-American: *Lazy Jack*
