

## Local Neighbor Needs (Updated 5/8/2012)

Our extended FFCC family continues to bless our local neighbors as the needs right here in San Diego are very real, as well! Thank you FFCC supporters for providing some of the necessities for local families in need!

Some updated needs are listed below.

- Gently used double stroller
- Newborn baby boy clothing - gently used
- Queen mattress with boxspring and floor frame in great condition
- Bunkbed frame and one twin mattress
- Diapers in sizes newborn, 1, 4, and 5
- ***Special request:*** Many of our local families are financially unable to provide appropriate clothing and shoes for students going through 8th grade promotion. It is the one school function where students are expected to dress more formally and, for 8th graders, there are no graduation gowns covering the clothing like in high school/college commencement. If you are able to help support our youngsters in need with a donation towards a new outfit of clothing, please contact Becky at [bpalenske@san.rr.com](mailto:bpalenske@san.rr.com).
- ***Food Pantry needs at Grace Point Church:*** We are still in great need of some specific non-perishable food, including: peanut butter, cereal, rice, pasta sauce, boxed macaroni & cheese, and plain pasta. Summer break is coming up quickly, which puts a strain on struggling families to provide more food for their children at home.
- ***Additional storage space needed for non-perishable foods:*** Our biggest food drives are coming up in the fall and next spring. We need a free, enclosed, and well-lit space of 300 square feet or larger in the Rancho Penasquitos, Rancho Bernardo, Poway, or Scripps Ranch area. Please contact Becky ([bpalenske@san.rr.com](mailto:bpalenske@san.rr.com)) if you can help.
