

FFCC Thanksgiving Outreach 2011

THANK YOU FFCC SUPPORTERS!

We are pleased to report that our Thanksgiving outreach served 400 local families in need! This means approximately 1,200 to 1,600 people enjoyed a special dinner with their families at home because of our generous donors.

Special thanks to all who supported our project by providing food, grocery gift cards, help with pick-ups and deliveries and extra storage space. We are privileged to have partnered with so many groups and individuals this year, including:
