

A Non-Profit Organization Serving Children with Autism Spectrum Disorders

January 2013/February 2013

Dear Friends, Neighbors, & Business Owners:

Thank you for taking the time to get to know MarbleJam Kids and our special programming. Our organization serves children and families affected by the challenges of Autism. New Jersey holds one of the highest rates, 1 in 50, of children affected by Autism Spectrum Disorders (ASDs), and we continually struggle to provide support to families so they may succeed in helping their children grow.

MarbleJam Kids was created to provide children with ASDs opportunities to explore Creative Arts and Recreation in a safe environment. Over the past six years, the organization has been successful providing creative arts programming to children and teens, fitness and dramatic arts to teens, and specialty summer camps to preteens, teens, and young adults. MarbleJam Kids sees the positive results of offering arts and sciences in a comfortable setting where children are able to socialize and learn.

On March 14th, 2013 we are hosting our 4th Annual Fundraiser Dinner at *Florentine Gardens* in River Vale NJ **"The Voice of Autism"**. We will gather for cocktails, auction, raffle prizes, dinner and dancing with entertainment provided by *"Soul Finger Live"*, a NJ #1 Bandstand. In addition, we are pleased to present the guests with a performance by *Talina*, a 14 year old recording artist and autism advocate, showcasing her new release *"Just Be Nice"*. The song is the inspiration to a long term project of our film club students to produce a music video and anti-bullying public service announcement. We will also hear from special guest *Gioia* of the triple platinum group **Exposé**.

We expect another great turnout of over 250 guests in attendance. It is a wonderful opportunity to join the evening's atmosphere of fun and celebration with your support. A variety of sponsorship levels are sought, including Major / Corporate / Individual Sponsorships and Advertisements. Appreciation and acknowledgement of donors is included in all publications and event programs.

We ask that you consider assisting us by participating in sponsorship opportunities. Your help will make a substantial difference in the programming that MarbleJam Kids is able to offer throughout the year. Please visit our website www.marblejamkids.org and call us with any questions.

Thank you for your consideration and helping us to let the marbles roll!

Sincerely,

Anna Villa-Bager, Sarah E. Melone
