INTERIOR MONOLOGUES: VIEWS INTO THE ARTIST'S MIND

You are invited to participate in PVAC's annual members' 2012 collective exhibit: **INTERIOR MONOLOGUES: VIEWS INTO THE ARTIST'S MIND**. This year you are invited to create work that expresses how you think and feel on a given day. Use your skills to convey your emotion through color, shape and form in an abstract manner. The work must fit into a space 20" high by 16" wide (vertical), including frame. Three-dimensional pieces will be allotted a space equal to 18" x 18". Two-dimensional pieces will be hung on the wall with screws, using a drill driver. Please **wire** your two dimensional pieces on the back. Fishing line is not acceptable. Reception is artist potluck.

Entry Guidelines

1. As a member, you may submit a single piece or a diptych grouping that fits into a **vertical space**, 20" high x 16" wide space. The pieces should be new to PVAC. There is a \$25 participation fee to defray the costs of the exhibit.
2. Your membership must be in good standing as of the delivery date.
