2012 Summer Group Riding Sessions

As you know, our group lesson calendar ends June 4th. From June 5-9 the horses will get a little rest and relaxation before the summer schedule starts. Group lessons for Community School riders will continue through the summer starting on June 11. There will be one lesson offered at each level during the evenings so we encourage you to sign up early in case the class overfills. This summer we will not be offering regular Pony School group lessons; however, we do have many other riding opportunities in our Pony, Community, and Eventide Camps. If you have a Pony School rider who wants to ride on a regular basis during the summer, you are welcome to take private lessons or form your own mini group as well.

Continuing lessons through the summer allows riders to grow muscle memory, coordination, balance, and skill level. We realize that families travel and have other summer plans so riders may not be able to attend every scheduled lesson. For this reason, we've structured our summer group calendar to allow you and/or your children to keep riding without a summer-long commitment. Please note that riders who miss multiple weeks in a row may not be able to rejoin the same class, as skill level often declines without practice.

Please sign up for the sessions you would like to attend. Lessons cancelled due to inclement weather will be made up as follows:

Session 1 – June 30

Session 2 – July 21

Session 3 – August 11.

You may make up one lesson in each session if you have an unexpected absence either in a Saturday make-up or as a supervised lease ride.

We'll be holding 3 sessions of Community School classes - one each in June, July and August - to make committing to a single session simple. Each session consists of 3 lessons for \$150 with the exception of Wednesday which will not ride on July 4.

We have scheduled group lessons for every level, although some of the times may be different from those during the academic year. See below to find the optimum class day and time for you.

Please return the summer registration form as soon as possible in order to reserve your spot. We look forward to a fun and exciting summer!
