

## **STAR/PAL's Padres Baseball Camp**

**Wednesday, July 27, 2011 at the STAR/PAL Facility**

**We invite you to join our STAR/PAL youth!**

STAR/PAL's Padres Baseball Camps are held each spring at participating recreational centers as well as local elementary and middle schools. These camps are designed for beginner to intermediate level children with an interest in learning how to play baseball.

This program promotes positive interaction with local law enforcement in a team sport environment. Volunteers from the San Diego Police Department and Fire-Rescue along with countywide law enforcement agencies such as County Probation and the Sheriff's Department provide instruction to participants on how to complete four different baseball drills. Each drill is designed to challenge the youth participant on a different skill set required in the game of baseball. Camp participants get the opportunity to enjoy a Padres game at Petco Park the following day!
