

Syd Ehmke

Syd Ehmke, MSN, FNP is a certified family nurse practitioner and Clinical Operations Director for Riverview Hospital's WorkMed program. With over 18 years of experience in direct patient care and management, Syd's oversight focuses on the client and services that enhance the client's experience and their needs. When she is not working with Workmed, she is busy with Riverview's Community Health Clinic as a care provider and manager. An avid learner, Syd will obtain her MBA from Butler University in August, 2011, and use those new skills to focus on business operations and healthcare. Volunteer activities include Board of Director member for Aspire Indiana, Board of Director member for Kristin EVE Foundation, Advisory Board Member Promising Futures of Central Indiana and parish nursing. Syd enjoys spending time with her family, being outdoors, gardening and any water sports.
