## TRCS ATHLETICS: HISTORY IN THE MAKING

Athletics at TRCS is a relatively young part of the 47-year old school, yet has proven to be a valuable piece of the establishment. Quality coaching has led to strong teams and those teams have been successful locally, in the district and state-wide. This success had been recognized by the local newspaper, with teams garnering numerous front page and main story headlines and pictures. Through these stories, the local community has been introduced to the existence of the school on a more widespread level.

During the past few years at Three Rivers Christian School, our athletes have been making history in the following ways:

- ◆ Girls' Volleyball went to State Tournament three years in a row (2010-2012)
- ◆ During the first year of Cross Country, the TRCS team qualified for State (2012)
- ◆ TRCS has won Academic State Championships (highest GPA in state) for Cheerleader, Volleyball and Basketball. (2009-2011)
- ◆ Lady Eagles Golf has gone to State (2008, 2011)
- ◆ Boys' and Girls' Basketball teams both won playoff games. The boys were knocked out by the team who became State Champions, 38-30 (2012).
- ◆ Many individual athletes have been recognized for their achievements:
  - ⇒ **Volleyball:** Four players were selected for the all-league team. McKenna Moore was named "Player of the Year."
  - ⇒ **Cross Country:** Seth Carns qualified for State in the first year of the team.
  - ⇒ **Boys' Basketball:** Four players were selected for the all-league team. Josh Caddel was named Most Valuable Player and was the first athlete at TRCS to play in the local All Star game.
  - ⇒ **Girls' Basketball:** Four players were selected for the all-league team.
  - ⇒ **Golf:** Four players qualified for the State tournament (2010-2012)

TRCS Athletics currently offers Volleyball, Cross Country, Basketball, Bowling, Golf, Tennis and Cheerleading.

The TRCS Athletic Department seeks to support the school's mission statement by promoting academic success, striving for athletic excellence, ensuring the highest principles of sports conduct while exhibiting a Christ-like example on and off the field.

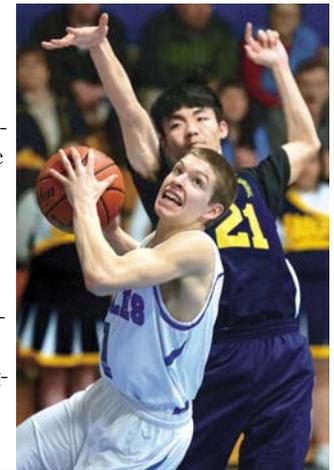

## CORE VALUES

1. We are committed to the participation in and the coaching of athletics at TRCS as a ministry, first and foremost, and that athletics is simply a tool for us to continue to develop the spiritual and academic goals of the school in the students that we serve. We are ministers first, coaches and athletes second.

2. We are committed to the ideals of self sacrifice, humility, sportsmanship, caring for and the lifting up of others, dedication, accountability, commitment, hard work, integrity, fair play, patience, exercising of our gifts, self control, and, most importantly, the giving of all honor and glory to God.

3. We are committed to the promotion of a positive and accurate self image. We strive to instill the deep understanding that we are all created in the image of God, are fearfully and wonderfully made and are acceptable just as we are.

4. We are committed to the teaching of goal setting and the process of achievement. While TRCS coaches understand that while winning is certainly a goal, it is not the cornerstone of our sport programs.
