

Have you ever wondered how those adorable stories that our children write are made into books? By our very own **VFE PUBLISHING CENTER!** Without our dedicated volunteers, who work throughout the entire school year, we would not be able to offer this fantastic program. This year, we are in the process of producing a record number of books. We still have over 120 to finish before the end of school. However, by the time we are finished, we will have made **WELL OVER 700 BOOKS!** I am immensely grateful to our volunteers and hope you join me in thanking them when you get the opportunity.

In order to continue offering this program, we need a lot of volunteers! If you would like to see it continue, **please sign up to help NEXT YEAR!**
