

# Multi-Syllabic Word Search

Congratulations to all the students who submitted a multi-syllabic word to the library. We had over 230 entries. The entries were **amazing, prodigious, stupendous and phenomenal**. Noah Webster would be proud of all the entries. The prize winners are Abby Wright (Kindergarten), Chloe Cabel (First Grade), Riley Goodman (Second Grade), Asma Syed (Third Grade) and Ty Seifert (Fourth Grade). Congratulations to all the students who participated for your outstanding efforts.
