

Jefferson County, along with the cities of Lakewood and Arvada, request your input about housing and community development needs !

Lakewood

The City of Lakewood is in the process of determining how to spend federal housing and community development funds it will receive during the next five years (2013-2017). These funds must benefit low and moderate income persons and can be used for programs such as neighborhood cleanup, park improvements, housing rehabilitation, accessibility improvements for persons with disabilities and services to help low income residents.

Jefferson County, along with the cities of Lakewood and Arvada, is conducting a study to identify barriers to housing choice. These can include denial of housing because of children, refusal to make an accommodation for persons with disabilities or charging people different amounts for housing because of their race or ethnicity.

Please join us at one of the following meetings to discuss these topics:

Community meetings to discuss housing and community development needs in Lakewood:

Tuesday, October 16th, 2012

6:00 - 7:30 p.m.
40 West Square
