

Commissioner Odom moved that the following Resolution be adopted:

BEFORE THE BOARD OF COUNTY COMMISSIONERS

OF THE COUNTY OF JEFFERSON

STATE OF COLORADO

RESOLUTION NO. CC12-086A

Case No.	11-110479SU	Map No.	139
Case Name:	166 Lookout Mountain Road Special Use		
Owner/Applicant:	Activation Ministries International		
Location:	166 Lookout Mountain Road Section 7, Township 4 South, Range 70 West		
Purpose:	To allow for the existing church and future expansion.		
Approximate Area:	10.28 Acres		

WHEREAS, the Board of County Commissioners at a public hearing held March 13, 2012, by majority vote adopted a resolution approving special use application Case No. 11-10479SU; and

WHEREAS, a citizen noticed a typographical error in the resolution approving the special use application which the Board desires to correct; and

WHEREAS, the typographical error could be interpreted by parties to be a more significant change to the special use document which was not the intent of the Board; and

WHEREAS, the Board of County Commissioners intended for the resolution adopted by the Board to approve the terms and conditions set forth in the red-marked print of the special use document as presented at the February 28, 2012 public hearing.

NOW, THEREFORE, BE IT RESOLVED that Board Resolution CC12-086 is hereby amended so that the second sentence in Section 3(c) "Visual and Aesthetic Impacts" is changed to replace the word "Gross" with "Ground" so that the second sentence shall now read: "The Ground Floor Area of all buildings on the site are limited to 15,000 square feet."

Commissioner Griffin seconded the adoption of the foregoing Resolution. The roll having been called, the vote was as follows:

Commissioner John Odom	Aye
Commissioner Faye Griffin	Aye
Commissioner Donald Rosier, Chairman	Aye

The Resolution was adopted by unanimous vote of the Board of County Commissioners of the County of Jefferson, State of Colorado.

Dated: March 27, 2012

WHEREAS, based on the Zoning Resolution, recommendations of the Jefferson County Planning Commission, recommendations of the Jefferson County Planning and Zoning Division, comments of public officials and agencies, and testimony and written comments from all interested parties, this Board finds as follows:

1. Proper posting, publication and public notice were provided as required by law for the hearings before the Planning Commission and the Board of County Commissioners of Jefferson County.
2. The hearings before the Planning Commission and the Board of County Commissioners were extensive and complete, that all pertinent facts, matters and issues were submitted and that all interested parties were heard at those hearings.
3. The proposal is in conformance with the Special Use criteria as described in Section 1.N.4. of the Jefferson County Zoning Resolution as more particularly described herein.
 - a. The Board agrees with the staff analysis provided in the Staff Report with respect to certain aspects of the Special Use request and adopts those as findings regarding the analysis of: Fire Hazards, Solar Access, Geological Hazards, Drainage, Erosion and Flood Hazards, Radiation Hazards, Adequate Water Quality, Quantity and Sewage Disposal Availability, and Availability of Public Facilities to Serve the Proposed Use.
 - b. Traffic Impacts. The Board agrees with staff that the traffic analysis submitted by the Applicant was complete and met the requirements of the Zoning Resolution. The Board also concurs with staff that the increased traffic counts related to the proposed expansion does not necessitate any additional traffic studies as the trips generated by the expansion are below the 1,000 trips per day required to trigger such a requirement in the Zoning Resolution. Moreover, the Board finds that even if traffic were greater than anticipated, the traffic analysis and testimony from Jefferson County Transportation and Engineering staff show that Lookout Mountain Road as a major collector can handle the increased traffic adequately at satisfactory levels of service because the vehicle trips per day on Lookout Mountain Road currently are well below the maximum permissible for a major collector.

c. Visual and Aesthetic Impacts. The Board finds that the visual and aesthetic impacts of the proposed expansion have been adequately mitigated with the restrictions on the Special Use document. The Ground Floor Area of all buildings on site are limited to 15,000 square feet. In addition, the Special Use written restrictions list architectural and landscaping standards that will minimize the visual and aesthetic impact of the building, regardless of the amount of the Gross Floor Area allowed. Moreover, 60% of the site is to remain as landscaped area or open space which will improve the visual appearance of the site and mitigate any impacts to wildlife in the area. The 60% open space requirement may act as a further constraint to the development of the property. If the parking and other criteria of the Zoning Resolution and the Land Development Regulations cannot be met with the 60% open space requirement of the Special Use, then the Applicant will be required, regardless of the approval in the Special Use, to decrease the size of their building due to other site constraints.

Deleted: Gross

d. Noise. The Special Use written restrictions require that the noise levels at the property not exceed the County's requirements for noise. The Board agrees that the large size of the lot should help to diminish any adverse noise impacts.

e. Community Character. The Board agrees with the Applicant's analysis of community character in the area and finds that a church as a non-residential use is not out of character with the Lookout Mountain community. As the Applicant testified, there are other larger churches in the immediate area, in addition to other non-residential uses that generate traffic and other impacts, including, but not limited to Rockland Memorial Community Church, Mount Vernon Country Club, Lookout Mountain Community Church, Ralston Elementary School, Boettcher Mansion and Nature Center, and the Buffalo Bill Museum. A non-residential use interspersed with homes is not uncommon in this community.

4. The Board finds that the negative impacts of the proposal to the neighboring properties have been mitigated with written restrictions contained in the Special Use document, which include additional right of way improvements at the time of site development.

5. The proposed land use is compatible with the surrounding and existing land uses as a church has been in existence and operating on the site for many years, even prior to the current Applicant's ownership of the property.
6. The proposed land uses will not result in significant impacts to the health, safety, and welfare of the residents and landowners in the surrounding area.

NOW, THEREFORE, BE IT RESOLVED that Special Use Case No. 11-110479SU for the following described unincorporated area of Jefferson County, attached hereto as Exhibit A, be and hereby is APPROVED subject to the following condition:

- a. Revisions to the Special Use Graphic in accordance with the red-marked print dated February 28, 2012.

Commissioner Griffin seconded the adoption of the foregoing Resolution. The roll having been called, the vote was as follows:

Commissioner John Odom	Aye
Commissioner Faye Griffin	No
Commissioner Donald Rosier, Chairman	Aye

The Resolution was adopted by majority vote of the Board of County Commissioners of the County of Jefferson, State of Colorado.

Dated: March 13, 2012

EXHIBIT A

Case No. 11-110479SU

Legal Description

Street Location of Property 166 South Lookout Mtn Rd

Is there an existing structure at this address?

Yes X No

Type the legal description and address below.

A PARCEL OF LAND LOCATED IN THE SOUTHEAST QUARTER OF SECTION 7, TOWNSHIP 4 SOUTH, RANGE 70 WEST OF THE SIXTH PRINCIPAL MERIDIAN, JEFFERSON COUNTY, COLORADO, ALSO KNOWN AS PARCEL III AS RECORDED IN THE JEFFERSON COUNTY CLERK AND RECORDER'S OFFICE BY RECEPTION NO. 78096378, BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:
