Becky Farley, PhD, MS, PT

Community Lecture Series
October 27 – November 2, 2012

Dr. Becky Farley, CEO/Founder of Parkinson Wellness Recovery (PWR!) and University of Arizona research professor, is a physiotherapist with a doctorate in Neuroscience. Dr. Farley is known internationally for her research into the treatment of Parkinson's through exercise and as the creator of LSVT BIG™ and her newest research-based Parkinson Exercise Model, Exercise4BrainChange™. Dr. Farley has been to British Columbia on three previous occasions, two of which were sponsored by Parkinson Society British Columbia.

Dr. Farley will be giving four community lectures for people with Parkinson's and carepartners. The lectures will include a research update and an overview of how to effectively and safely exercise as a person with PD.
