Southwest Ohio & Northern Kentucky **International Matchmaking Program**

Industries:

*Energy, Aerospace, Environmental Technologies
Advanced Manufacturing and Medical/Healthcare*

What is the International Matchmaking Program (IMP)?

The International Matchmaking Program (IMP) brings interested foreign buyers to Southwest Ohio & Northern Kentucky to meet with U.S. firms. There is no charge to participate as a U.S. supplier. Just register with the U.S. Department of Commerce, U.S. Commercial Service-Cincinnati office to receive email alerts with company profiles of buyers visiting the area. If a buyer looks like a potential fit for your organization, we will arrange a meeting at your location.

To be placed on the Distribution List for IMP:
