## **A Message from the Dean**

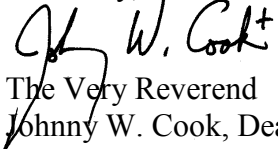

Dear Cathedral Family,

The Vestry has approved a resolution to establish the Legacy Society of Christ Church Cathedral. This society puts in front of us our responsibility for future generations who will worship and serve the Lord in this place.

This month, we will say prayers and ask God's blessing on our gradating high school seniors. Only yesterday they were the young children of our parish family, and now they head off to college. The children of today look to us to provide for them and to set the example of preparing the way for those who come after us.

Legacy giving is one way to thank God for our blessings that can be of benefit for generations to come. Please join me in becoming a member of the Legacy Society. A letter inviting your participation will be mailed soon. Founding members will be recognized at our All Saints' Celebration on November 3, 2013.

Faithfully,

  
The Very Reverend  
Johnny W. Cook, Dean

### **Resolution to Establish the Legacy Society**

Whereas God has bestowed upon Christ Church Cathedral, Mobile, Alabama many blessings throughout the years;

And whereas the Clergy, Wardens, Vestry and Officers recognize our responsibility in being good stewards of these blessings for future generations;

Now, therefore, be it resolved this day to establish the Legacy Society of Christ Church Cathedral, Mobile, Alabama for the benefit and security of those who have made provision for the same in their estate plans;

And be it further resolved that members of the Legacy Society will be recognized annually at a Cathedral celebration in order to encourage every member of the parish to do likewise.

*Approved at Christ Church Cathedral  
Vestry Meeting, April 21, 2013*

## A Message from the Sub-Dean

Dear Cathedral Family,

This Easter season has been a time of especially keen consideration of the resurrection for me and my family, as we have walked through the death of my father and the celebration of his life and eternal life, risen with Christ. One of my strongest sensations during this time has been of the way we are all bound together—including both the living and the dead—by our shared life in the Body of Christ. The visits, phone calls, notes, emails, texts, meals, flowers, and all other expressions of the love and care of the Cathedral family have been a comfort and a source of strength for me and my family over the past weeks. And I am also reminded that our grief and our joy are always shared experiences that bind us more

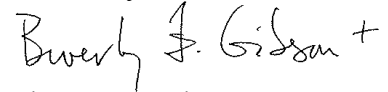

closely together and make us better able to life fully and energetically in the way Jesus has shown us.

My family and I are witnesses to the excellence of your pastoral care.

I also want to thank you all for your responses over the last several months to our re-imagined pastoral care ministries. In the weeks ahead, those of you who have signed up will be contacted about the groups you have expressed interest in, and we will be organizing and designating leadership roles for all of these ministries. As we move into the summer months, my hope is that all of these ministries will be up and running. Of course, it is never too late to sign-up for one of these ministries, which should continue to grow and thrive as they become more active.

Our Outreach Fair on April 21 provided information on opportunities for all of us to become more involved in the external ministries Christ Church supports. These outreach ministries, together with our pastoral care for one another and our commitment to shared worship, prayer, and study lead us toward the wholeness of life that is God's dream for us.

Faithfully,

The Reverend Canon  
Beverly F. Gibson, Ph.D., Sub-Dean

## HELP SEND A CHILD TO BECKWITH SUMMER CAMP

June 28 - July 3

All Saints has asked the Christ Church Cathedral family to join them in sending 40 rising 3rd and 4th graders from Council Elementary to Beckwith Summer Camp this summer. Most have never been to camp or learned to swim. They usually send 30 children but this year they have 50 applications.

All Saints also raises money to put together "goody bags" for the campers that contain toothbrushes, toothpaste, sunscreen, bug spray, soap, a journal, a disposable camera and a beach towel all in a canvas bag.

The cost to send a camper to the session is \$225. The good bags costs \$25. They would appreciate any and all donation. Make your check payable to Christ Church Cathedral with the notation of Beckwith Summer Camp.

## COLLEGE GRADUATES

Please let us know if you have a soon-to-be college graduate.

Now is not too soon to decide to help with Christian Education, which will begin again in the fall on Sunday, September 8. If you are interested in helping, please contact Alison Mitchell or call the Cathedral office.

## Music Ministry

We look forward to having the young people singing on Mother's Day, Sunday, May 12. They will have their last rehearsal of the season on May 8.

Handbells will play on Sunday, May 19. Adult Choir and Handbell Choir will conclude their rehearsals for the year on Wednesday, May 22.

It has been a very busy year. We began with the All Saints Celebration in November with trumpeter Peter Wood followed by Advent Lessons and Carols with Jenny Covington on oboe, Danielle Darrington on flute and Kim Harden on violin; and Enen Yu and Bob Holm and the Mithril Quartet playing on the Advent Music programs. We welcomed Paul Hanceri on cello and Jim Lichtemberger on violin on our Christmas Eve Celebration. We continued with the Lenten Music series with Andra Bohnet, Susan McKinnell and Danielle Darrington on flute; Teri Williams, Melanie Zoghby Cummins, Ann Gunter, Linda Grill and Peggy Lyden for the Fab Four concert; Gary Kohler, Cleamon Downs, Josh Hopper and Peggy Lyden for the male trio; Danielle Darrington, Joyce Sylvester and Peggy Lyden for the Spiritual concert and Prichard Preparatory choir for the final concert. The University of South Alabama Trumpet Ensemble joined us in Lent and the Wood Brass Quartet with timpani join us for Easter. The season concluded with the Cathedral Celebration in April with Enen Yu joining us on violin.

We are extremely grateful to the many contributors to the Music Ministry in financial contributions and the many talented artists and volunteers who give tirelessly of their gifts to make the music at the Cathedral so special. Week in and week out the adult choir remains the backbone of the musical offerings we all enjoy. Although rehearsals will disband for most of the summer the adult choir will meet and sing Sunday mornings throughout the summer with instrumentalists and soloists.

We welcome special hymn requests at any time and will try to insert them when appropriate. Many thanks to you all for giving us the opportunity to make music in such a lovely place for such wonderful people to the glory of God.

## Thank you for your generosity!

### Prichard Preparatory School field trip was a huge success!

Three days after it was published in the St. Paul's and Christ Church Cathedral's bulletins, and letters were mailed to family and other friends, I received in the mail enough donations to take the Prichard Preparatory students on their field trip! Holding an armful of envelopes, with my eyes brimming with tears, I became full of gratitude for everyone's enormous generosity. Thank you for the gifts you have given to the children. Also, thank you for the kind notes of encouragement.

One of the many blessings that derived from my request was the idea to have a Veterans Assembly before the field trip to familiarize the students with the military. Four distinguished veterans from St. Paul's: Mr. Jim Moore, Mr. Bob Denniston, Mr. Suffich and Mr. Bill Hieter, plus a recently retired Veteran, Mr. Foster, who is a student's father, shared their stories and memorabilia with the children. This was followed by a reception honoring their service to our wonderful country.

The field trip began at the crack of dawn. Once the students were situated on the Colonial buses with breakfast bars and apple juice, a video about heroes began playing. The children were too excited to watch the movie.

We went to the Barrancas National Cemetery first. The students sang "The Pledge of Allegiance" and "God Bless America" at the pavilion before we began our tour. When our guides asked if there were any questions, Pandora's box opened wide, and out of the mouths of babes every imaginable question about death and burials was asked! Then the students placed red roses on the graves of the unknown soldiers. Some classes spontaneously knelt in prayer before placing their flowers. The children were overwhelmed by the 4,000+ graves.

At the National Naval Aviation Museum they were overwhelmed again by how many planes were inside! They spent a couple of hours exploring and climbing in every plane that they were allowed. The pre-K students spotted some uniformed young men, who were there for a presentation and ran up to them wanting to know if they were real live soldiers! The soldiers got a big kick out of the children and insisted on having their photo taken together.

The weather was beautiful, so at noon we had a picnic on the grounds outside the Museum. During lunch, the new Commanding Officer, Capt. Keith Hoskins, and the Public Affairs Officer, Capt. Harry White, greeted the students and spent a long time talking individually with them. The children were very impressed!

After lunch we headed back inside to the IMAX theater for the Blue Angels show. Although we weren't able to see them practice, it was the next best thing. With the booming sounds and the seven

story screen, the Blue Angels came to life. The third, fourth and fifth graders rode on the Blue Angel's simulator earlier, so they got a good idea how it felt to be in the cockpit.

All good things must come to an end, so after the show we headed back home. The children were exhausted, and the ride home was much quieter than the ride there. Arriving back at the school, they looked so cute sporting their new sailor hats as they unloaded from the bus.

It hardly seems fair that so many kind people helped to sponsor each child, but only a few chaperones got to witness the pure joy of watching the children experience this adventure. It was like watching a toddler with a new puppy! Thank you for your generous support and the precious gift of learning you have given to the Prichard Preparatory students! And it's not over yet! Your donations exceeded what was needed for this trip, so next year the PPS students will go to the Aquarium and Zoo in New Orleans!

So once again, from the bottom of my heart, thank you for making these trips happen!

Sincerely,

Lisa McDonough

## Cathedral Celebration—2013

Sunday, April 28 marked our Eighth Annual Cathedral Celebration. We celebrated with a parochial visit from our bishop, The Right Reverend Philip M. Duncan, II, three baptisms, twenty-three confirmations, and two receptions. A luncheon followed in the gardens. Thank you to all who helped to make this a wondrous occasion!

## Courtyard Columbarium

### Enrollment continues for the Courtyard Columbarium, Phase I

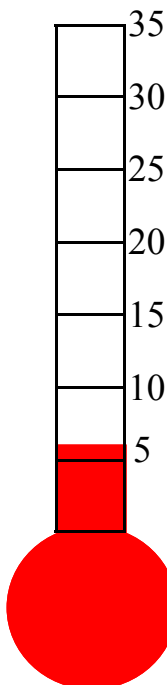

Your check for \$3500 made payable to Christ Church Cathedral with the notation, Columbarium—Phase I will reserve your niche. Construction will begin when 35 niches have been purchased. Each niche holds two sets of cremains.

A courtyard columbarium has been designed to meet the needs of our Cathedral family. Located in the garden area between the Office/Rectory and the Brantley/Huger Houses on Conception Street.

A fountain and benches will create peaceful space for family and friends. We envision it as a place for quiet and reflection, where loved ones can gather for prayer and remembrance.

The  
construction  
goal is 35.

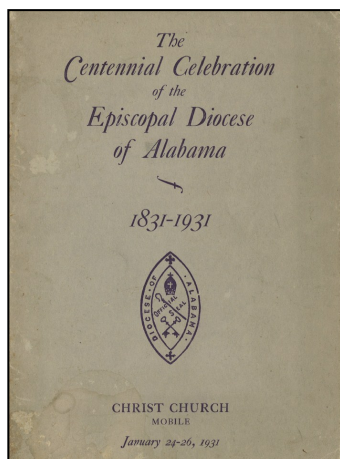

**WE THANK THOSE WHO HAVE  
RESERVED THEIR NICHES!**

#### Options

- 1) Columbarium double niches are available in Phase I for \$3,500. The cost includes engraving on the granite face of the niche.
- 2) In the same area, “green” interment is available for those wishing their cremains be buried in the garden. An engraved granite plaque will be placed on the Chapter House wall that faces the garden and will be available for \$1,000.
- 3) For those whose cremains rest elsewhere, a granite plaque where names may be engraved will also be placed on the garden wall of the Chapter House at a cost of \$1,000.

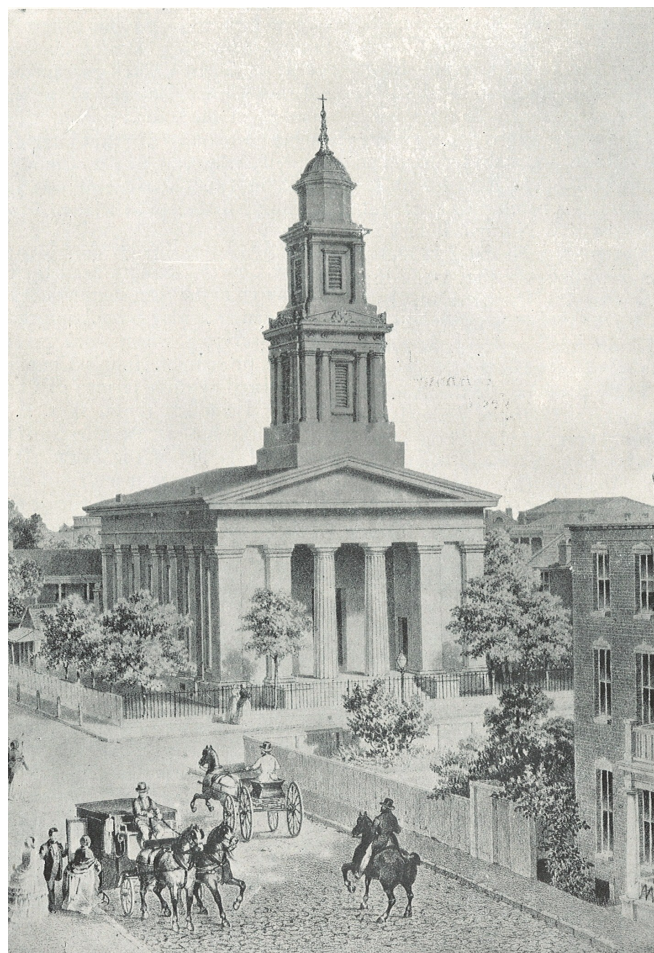

The history of our Church in Mobile goes back to the days of British occupation when the English Chaplain held services in Fort Charlotte. In 1822 a Church was built just outside of the gates of the Fort, and the congregation organized as a congregation of the Church of England, though members of all Protestant Communion worshipped in this, the first non-Roman Catholic Church in the city of Mobile.

There is some confusion regarding the history of the early years of Christ Church. In one of the early records, the Rev. Samuel S. Lewis makes the statement that Christ Church was not fully organized as a Protestant Episcopal Church until 1835, the year in which he became rector. But early records of the Vestry show that the parish was organized and known as Christ Church in 1828, and admitted to union into the Diocese in 1830. The Rev. Joseph L. Tucker, D.D., who left a number of historical sketches, mentions the Rev. Norman Pinney as the first rector, and give as his dates 1830-34. But early Vestry records show that while the Rev. Murdoch Murphy, a Presbyterian, had charge of the church, though possible not as rector, until 1828, presiding at the Annual Meeting held April 12th, 1830, the Vestry later accepting his resignation in 1831. These same records show that the Rev. Norman Pinney was elected Rector in April of 1835, resigning in November of the same year, making him thus the second, and not the first rector of Christ Church. From Mr. Pinney's time on, the records are reasonable clear and accurate.

## United Thank Offering Ingathering

### Sunday, May 12

The spring ingathering of the United Thank Offering (UTO) will take place on Sunday, May 12. UTO promotes offerings as expressions of thanks for daily blessings. The familiar blue boxes are designed to be placed at home, ready to receive coins at moments of gratitude during the day. UTO receives the offerings at twice yearly ingatherings and uses the monies to support grants for projects in Anglican provinces, dioceses, and companion dioceses that address human needs and help alleviate poverty. If you miss the spring ingathering, we will give you an opportunity to be thankful again on UTO Sunday in the fall.

Examples of grants awarded in 2011 include: medical equipment for a diabetes clinic in Ramallah; a washer and dryer for a homeless shelter in New Hampshire; the purchase of land in Ecuador to build a church and refugee center. A full listing of grants can be found at [http://archive.episcopalchurch.org/documents/UTO\\_grant\\_list\\_2011.pdf](http://archive.episcopalchurch.org/documents/UTO_grant_list_2011.pdf).

Christ Church Cathedral is dedicated to supporting the mission of UTO. We encourage you to pick up a blue box on the ministry table. As you and your family give thanks for the many blessings received each day, add a coin to the box. Join us, Sunday, May 12, as we collect donations to UTO. Blue boxes may be placed at the wooden cross on your way to the altar for Communion. *UTO is a project of the Episcopal Church Women.*

Erica McElhaney and Lissa Watkins—ECW Co-Chairs have worked tirelessly this year. We give thanks for their gifts.
