Photography Release

Seeing smiling faces enjoying faith-filled experiences is a wonderful thing and church members of all ages love to see pictures of the church's youth. I understand that on occasion First Congregational Church of Guilford uses photos on church bulletin boards and on its website for the purpose of sharing our church's ministries and educational programs. I also understand that the church will never identify a child by name.

I authorize First Church to use photos that my child/ren appear in.

I do not authorize First Church to use photos that my child/ren appear in.
