

SDHCA Feature Facility

Diamond Care Center

Bridgewater

The SDHCA Feature Facility for April is Diamond Care Center where Kim Longe is the administrator. Located in Bridgewater, population approximately 500, the facility has 40 beds, 68 employees and an annual facility payroll of \$1,252,000. The facility has been a SDHCA Member for 15+ years!

Diamond Care Center provides skilled nursing services, PT, OT, ST, outpatient therapies and secure memory support. The facility has a great group of residents and staff. The staff is so proud of how they serve the members of the community. Their hard work paid off most recently with the recognition of their 5-star ranking through CMS and *US News World Report* for 2012.

SDHCA would like to thank Kim and the entire staff at Diamond Care Center for all they do for South Dakota seniors!
