

# Student Ministry Scholarship Information

Thank you for requesting information on Cornerstone/Crossroads trip scholarships. Families donate money each year to the overall mission of Cornerstone and Crossroads – many for just this purpose. It is our heart that no student be unable to attend a Student Ministry retreat or trip because of financial reasons. Below you will find the scholarship option available to your student. Please fill out the application below and mail it to the Student Ministry offices by the designated due date, prior to the trip. If you have any questions, please call Marti at 703-574-4390, or speak with another staff member or Jim Byrne, director of student ministries.

**Partial Scholarships** are offered as partial amounts applied toward your student's balance for the trip. We ask that you and/or your student contribute some of the amount — and apply for a partial scholarship for the remaining balance by the scholarship request deadline for each trip.

*We find that students often get more out of a trip when they have contributed to the payment.*

## Student Ministry Scholarship Application
