

# Meet "the merchant"

## Telling The "Tail" of Tailwaggers

Voted Greeley's #1 Favorite Pet Store &  
Greeley's #1 Best and Friendliest Service

Tailwaggers offers top quality doggie daycare, training, grooming and self-serve baths.

Tailwaggers offers a large quantity of top quality dog and cat foods, treats, toys and accessories.

Tailwaggers' creative and inviting window displays catch your eye and draw you in while their friendly staff's commitment to helping you and your pet is apparent from the moment you step through the door.

Greeley and its surrounding communities love and appreciate Tailwaggers for its comprehensive array of nutritional, training, grooming, self-serve bathing and doggy daycare offerings for both dogs and cats. Located at 3616 W. 10th Street, Tailwaggers received two of The Greeley Tribune's Hot Picks Awards this year as they were voted:

### Greeley's #1 Favorite Pet Store and #1 Best and Friendliest Service

Brad Hamilton, the owner of Tailwaggers, gratefully stated, "I am truly honored and humbled by our team winning these two recognitions. We truly have the best customers and it is a pleasure to serve them."

Visiting Tailwaggers is a refreshing experience. Pat Bentley described his recent visit to Tailwaggers as, "Definitely the finest pet supply store I've been in, anywhere." As you arrive, you are greeted with a friendly hello as a staff member offers to help you. With their no pressure sales philosophy, you feel comfort-

able walking through the retail section of the store past the vast and amazing choices offered in top quality foods, treats, toys and accessories. Since Tailwaggers is dog friendly, your dogs can help you select their favorite items. Be aware; your dog may want one of everything! As you continue through the store you may see the Tailwaggers' certified dog trainer working with dogs or training a class on their carpeted training floor. Upon arrival at the back of the training floor you can pause and relax in the lounge area. When you turn the corner the daycare, grooming, and self-serve bathing areas

come into view; recently remodeled, you'll love their vibrant and welcoming colors. From the warmth of the artwork to the classic touch of the picket fence; it is quite clear that Tailwaggers wants everyone who walks through their door to feel at home.

Tailwaggers knows that the commitment to our pets is one of the more important and meaningful commitments we make in our lives. A pet provides the unconditional love and companionship that we all cherish in our hectic lives. A pet is a friend, a family member, a son, a daughter; in fact Tailwaggers have some customer's grandparents call the family

dogs their granddogs. It is really about the family pet being one of the family.

Tailwaggers employs dedicated, smiling and pet loving team members. They provide a safe and fun environment for animals and customers to shop, train, get pretty, play, and relax. Tailwaggers provides solutions to big and small problems by asking the right questions and providing quality products and services through their caring and knowledgeable staff. They enable families to treat their pets as family members; to sustain, enhance, enrich and create a better life for pets and their owners. Supported by hands-on ownership, the Tailwaggers vision is to be the best full-service, one-stop pet supply store by providing world class customer service, quality products and services, cleanliness and value in a safe and fun environment.

Tailwaggers is here for you and for your pets and for the Greeley community who has supported them so wonderfully for more than a decade. As a pet owner, you know how special your pets are and you want only the best for them. Since your pet will love to stop by just as much as you, your visit will be twice as fun!! Please stop by Tailwaggers soon; they look forward to saying hello to you and your pet.
