

Fishing Dayz- Evening Shoal Bass & Stripers Trip this month!

Please note the Location meetup and Time Change to this month's FISHING DAYS!

Recent reports are showing good success of Shoal Bass on the lower section of the Chattahoochee River (Below Morgan Falls Dam). This month, let's pull out the 7wt / 8wt rods and hang out for a chance to hook into a nice Shoalie or even a Striper! Everyone is welcome! Join the UCCTU gang for Fishing Dayz.

Please send an email to : fishingdayz@ucctu.org so we can plan on the number of people planning to join us for the evening.

Fishing Dayz - SATURDAY, August 3 2013: 4:00pm

Location- Paces Mill Park CNRA

Let's plan to meet in the parking lot of Paces Mills Park CNRA @ 4:00 pm, with plans to fish through sunset.

I would highly recommend a headlamp or flashlight to assist you in navigating back off the water, to the parking lot.

Remember to bring a parking pass or \$3 for parking fees at all National Park parking areas.

For those interested, we can gather for dinner, drinks/conversation after fishing, at Laseter's Tavern located just across from Paces Mills Park. (*Map and address to Laseters in left column*).

If you have an extra 7-10 wt outfit that you're willing to loan, please bring it with you.
